What's New at VAC?

We are excited to be opening the Valley Aquatic Centre (VAC) on May 23rd 2026, at 1:00 pm for the first public swim of the season!

Updates for the 2026 season:

- We have made some adjustments to our swim lesson class & rate structures. Parent & Tot lessons will still be offered once a day rather than twice, as per last season. The rate for these lessons has been reduced as we are now providing (5) classes per week.
- TRY IT FOR FREE – AQUASIZE. Try an Aquasize class on us! Class date is TBD and will be announced in June.
- Repairs have been completed on the pool deck.
- New lockers have been added to the change rooms.
- FIRST TIMER - An Introduction to the VAC. Are you new to Rosthern? Never been to the Valley Aquatic Centre before? Join us for a 30-minute educational session on Monday, June 8th, at 6:00 pm. Meet our staff, get familiar with the facility, learn about our pool rules, basic water safety & upcoming programming. Participants are invited to stay after the session for public swim. These sessions are free of charge. Advance registration is required, and space is limited.
- We will once again be hosting multiple lifesaving certification courses this summer, including Bronze Cross, Bronze Medallion and National Lifeguard Award (NLA).
Registration Dates & Times TBD.
- Did you know – you can earn a high school credit for completing your NLA?! Contact us or your school administration for more information.

Swimming Lesson FAQ

When can I register for swimming lessons?

Swimming lesson registration will open on May 29th at 12:00 pm. You are welcome to register after this date; however, swimming lessons fill up very fast!

Can I register for lessons over the phone?

We will have staff available to provide general assistance on registration day. Due to our limited resources and capacity, we strongly encourage online registration.

The level I wanted to register for is not accepting responses.

If the Google Form says that it is no longer accepting responses it means that the chosen level is at maximum capacity. From here you may:

- Look for availability in another lesson set
- Join the waitlist for the level you would like, found at the bottom of the lesson set folder. If a spot becomes available, we will contact the waitlist in order of submission. We may also create additional lesson sets depending on waitlist demand, class sizes and instructor availability.

How do I confirm that I am registered for lessons?

You should receive an emailed receipt of your responses. Be sure to check your junk mail folder. If you have registered and do not receive an email, you can call or email us to confirm. Please be patient! We receive a large influx of phone calls and emails on registration day. We will do our best to respond in a timely manner.

The form won't let me type in information.

To type your information into the form you will need to click on the three dots in the top right corner, select OPEN IN NEW WINDOW, and from there you will be able to enter information if the level is available.

Registration will open on May 29th at 12:00pm

Private lessons are an excellent opportunity for children who would benefit from a one on one teaching experience or, who just have a couple of requirements left for an incomplete level.

All lessons will be scheduled individually in half-hour slots on Saturday mornings.

Each class is limited to one participant on the forms. However, the limit for class participants is two. If you wish to register a second child in a class please send us an email:
